It's the end of summer, and we miss our old friends.

Come join us for a joint contemporary worship and BBQ held by St. Christopher's, Trinity Mandarin and St. Cyprian's Anglican.

We'd like to see you there, and if you are off to university after the summer, we'd like to see you off before you go.

Let's relive old glories of when we were awesome, because it actually happened that way.

The service will be strictly contemporary, with praise led by members of both St. Christopher's and Trinity Mandarin.

P.S. the BBQ is free, so hope to see you there!
